QURBANI

2025 REPORT

This Dhul Hijjah, thanks to your generosity, Humaniti delivered more Qurbani support than ever before.

You helped us bring sustenance, dignity, and joy to families around the world.

Qurbani, the sacred sacrifice during Eid al-Adha, is more than a ritual. It's a way to honor our faith by sharing blessings with those who would otherwise go without. Through your support, fresh and nourishing meat reached orphaned children, struggling mothers, and families in crisis— turning hunger into hope.

You also helped make Eid a true celebration for some of the most vulnerable children by providing special gifts, toys, and clothing that reminded them they were not forgotten.

*Please note that the Qurbani for Gaza has been prepared, and the meat has been frozen. It will be delivered to families as soon as the blockade is lifted and access is permitted.

During Dhul-Hijjah, in addition to our ongoing food, water, and orphan support, your donations also helped provide psychosocial support to Yemenis, Gazans, and Syrians – strengthening the emotional well-being of **50 orphans** and **1,000 individuals** facing tremendous struggles.

We're deeply grateful for your continued support. May your sacrifice be accepted and your reward multiplied.

THANK YOU!
