Humaniti

HiTM

TOGETHER, THIS YEAR, WE IMPACTED

2,526,000 lives

Hi. We are Humaniti, a nonprofit network representing dozens of partnerships, thousands of supporters, and millions of lives impacted.

And we're just getting started!

Humaniti is unlike any other charity network in the world. We're constantly collaborating with other NGOs, never competing, and working with forward-thinking companies to create hyper-efficient solutions and widespread sustainable change.

Doing charity differently

Our unique approach to philanthropy is maximizing impact exponentially.

<p>HIGHLY COLLABORATIVE, HIGHLY STRATEGIC:</p> <p>We work with NGOs and innovative organizations to ensure the most significant impact possible.</p>	<p>RECOGNIZING THE NEEDS OF EACH COMMUNITY:</p> <p>Our programs are as unique as the communities they serve.</p>
<p>IMPACTING ALL HUMANS, NO EXCLUSIONS:</p> <p>We impact people in all corners of society.</p>	<p>WHEREVER THE NEED IS GREATEST:</p> <p>We direct our efforts to help the most marginalized and impoverished.</p>
<p>TRANSFORMING COMMUNITIES LONG-TERM:</p> <p>We empower communities to take charge of their development.</p>	<p>AN AMBITIOUS BUT ACHIEVABLE GOAL:</p> <p>Our unique network has the power to break the cycle of suffering for billions of people.</p>

WATER

IN 2024, OUR WATER PROGRAMS IMPACTED

589,630 people

Access to clean water is essential to life and a basic human right, yet almost 2 billion people experience absolute water scarcity worldwide. Humaniti and our partners are using modern technology and innovative solutions to restore clean water sources and expand access faster than ever before.

HOW WE'RE IMPACTING

Wells and tap stands

Repairing and installing systems that extract and produce clean water from the ground.

Atmospheric water generators

An innovative system that turns vapour from the air into a sustainable source of clean water.

Solar water boxes

Self-contained, portable water sources that yield 10,000 litres a day for up to 25 years

HOW CLEAN WATER CHANGES LIVES

Clean water access helps vulnerable populations immediately and over time

It reduces disease, improves health, and lowers child mortality. Hygiene and sanitation also improve.

Long-term, it boosts economic stability by supporting education and productivity. Women and girls gain opportunities as they spend less time collecting water.

WHO WE'RE IMPACTING

Our water programs quenched thirst and replenished hope for people in **Pakistan, Yemen,** and for Syrian refugees in **Turkiye.**

FOOD

IN 2024, OUR SHARE A MEAL PROGRAMS IMPACTED

341,690 people

Over 2 billion people are food insecure and malnutrition is one of the greatest threats to human life, despite the world producing more than enough food for everyone. Humaniti and our partners are tackling the global food crisis with a unique set of solutions to improve food security around the world.

HOW WE'RE IMPACTING

Hot meals

Delivering immediate comfort and nourishment

Food packs

Weeks or months' worth of nutritious food supplies including meat and vegetables

Ramadan meals

Nourishing families through the holy month with Iftar meals

Food trucks

Providing thousands of food items for years to come

School meal programs

Providing schools with daily meals for up to a year or more.

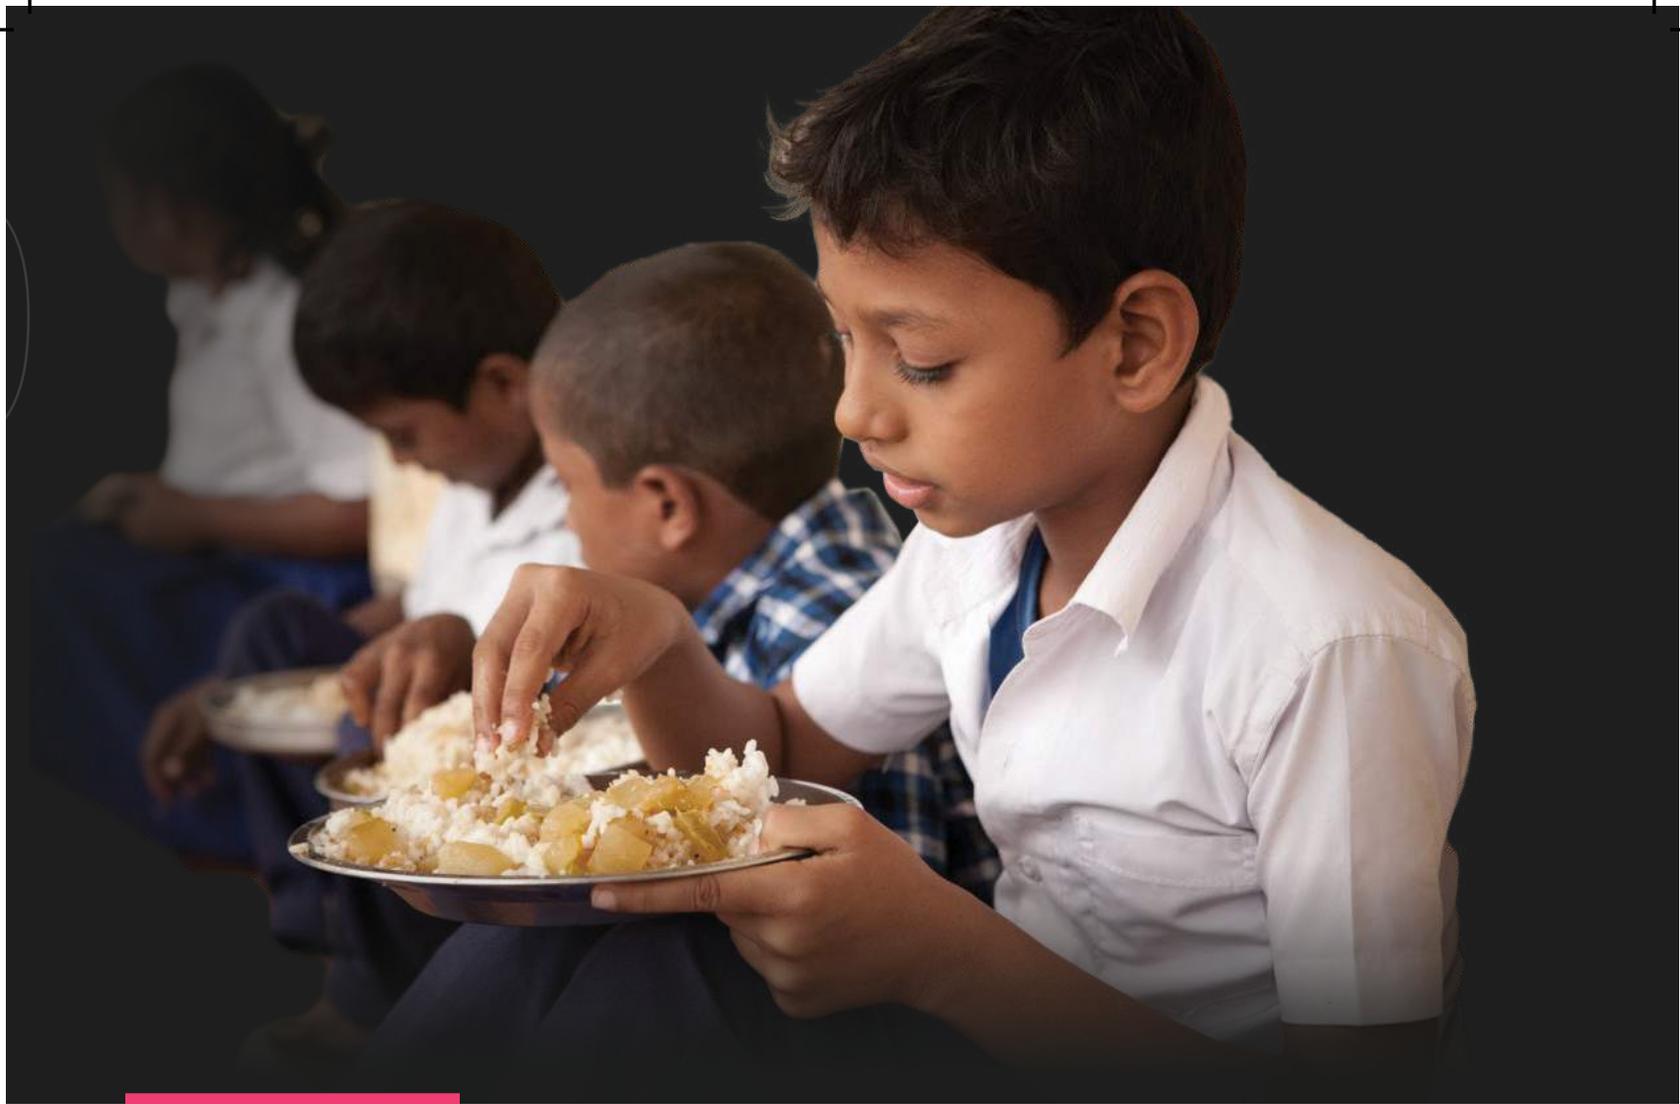

Staple supplies

Supporting households with essential food items that have many different culinary uses

Qurbani

Providing weeks or months' worth of protein-rich nourishment through Qurbani rations

HOW NUTRITIOUS FOOD CHANGES LIVES

Nutritious food provides essential short-term and long-term benefits.

In the short term, it prevents hunger, boosts energy, and strengthens immunity. Children focus better in school, and adults stay productive.

Long term, it supports growth, reduces chronic disease risk, and enhances cognitive function. This leads to better education, economic opportunities, and healthier communities, breaking the cycle of poverty.

WHO WE'RE IMPACTING

Our Share A Meal programs brought nourishment, comfort and strength to people in **Yemen, Pakistan, Turkiye, Somalia, Somaliland, Lebanon, Sudan, India, Bangladesh, Sri Lanka, Afghanistan, Malawi, South Africa and Bosnia.**

EMERGENCY RELIEF

IN 2024, OUR EMERGENCY RELIEF PROGRAMS IMPACTED

1,433,726 people

Climate and conflict put millions of people in a state of immediate desperation and fear for their lives. Humaniti and our partners are working to build the largest network for emergency relief, employing new and unique approaches to delivering urgent aid.

HOW WE'RE IMPACTING

Food and water

Filling bellies and quenching thirst as soon as possible

Shelter and bedding

Providing comfort and safety for those displaced

Mobile clinics

Delivering critical medical care where the need is greatest

Specialized care

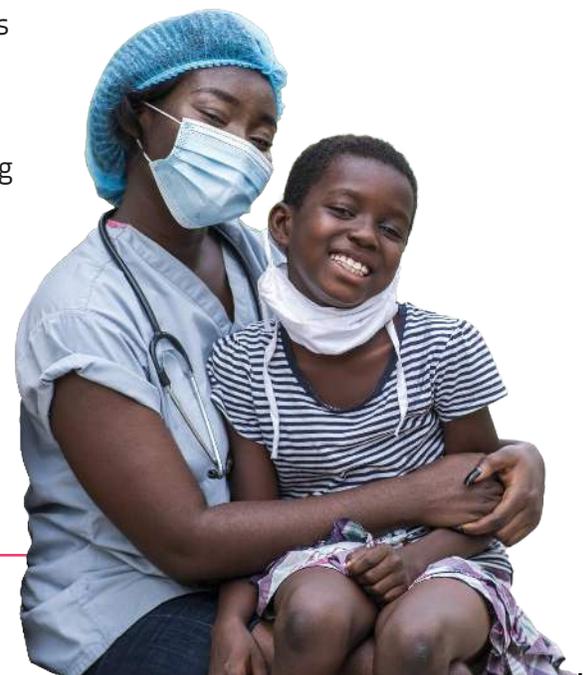

Supporting survivors with unique needs including pregnant women, people with disabilities and widows

Fuel for hospitals

Powering facilities delivering critical care

Winter relief

Providing warmth and security during harsh conditions

EMERGENCY RELIEF

HOW EMERGENCY RELIEF CHANGES LIVES

Emergency aid provides immediate relief by offering food, water, shelter, and medical care during crises, saving lives and reducing suffering.

Beyond the immediate benefits, this type of support helps rebuild communities, restore stability, and support recovery efforts.

Emergency relief programs foster resilience, strengthen infrastructure, and prepare people and societies to better handle future disasters and challenges.

WHO WE'RE IMPACTING

Our emergency relief programs brought immediate care and aid to people in **Bangladesh, Nigeria, Lebanon, Yemen, Sri Lanka, Afghanistan, Palestine, Sudan, Syria,** and Syrian refugees in **Turkiye.**

GAZA

IN 2024, HUMANITI RELIEF PROGRAMS IN GAZA IMPACTED

1,308,279 people

People living in Gaza have experienced an unfathomable level of suffering. Before and since the war began, Humaniti and our partners are working constantly and strategically to bring immediate and sustainable support to survivors.

HOW WE'RE IMPACTING

Through our collective efforts, we have delivered vital aid to Gaza, touching the lives of thousands in need.

GAZA

A HUMANITARIAN EMERGENCY

In October 2023, Gaza faced an unprecedented crisis. Nearly 1.9 million people in the region have been internally displaced, of which nearly 80% are living in makeshift shelters without adequate food, water, shelter, clothing or protection from the cold.

The official death toll has surpassed 46,000, including nearly 18,000 children, and more than 100,000 individuals wounded and 4,500 amputations. Humaniti responded immediately, delivering food,

medical aid, shelter, and clean water to those in desperate need. Through strong local partnerships, we've been able to adapt, scale, and sustain our efforts as conditions evolve.

HEALTH

IN 2024, OUR HEAL PROGRAMS IMPACTED

133,774 people

Access to reliable healthcare should not be an impossible luxury, but it is for 50% of the world's population. Humaniti and our partners are strategizing unique solutions to maximize our impact on populations struggling without healthcare.

HOW WE'RE IMPACTING

Mobile clinics

Providing critical medical services to remote regions

Child heart surgeries

Performing open heart surgeries and catheterization procedures for children with heart defects

Health centre and clinic expansions

Expanding space and capacity for critical medical care

RUTFs

Providing life-saving nutrition for malnourished mothers and babies

Digital healthcare support

Connecting patients in need to healthcare professionals via text messaging

Support for special needs

Providing therapies and funding operations to support people with disabilities and other unique challenges

HOW HEALTHCARE CHANGES LIVES

Access to healthcare immediately improves lives by treating illnesses, reducing suffering, and preventing disease. It lowers mortality rates and boosts productivity.

Over time, it supports healthier communities, enhances child development, and prevents chronic conditions.

With reliable healthcare, people live longer, pursue education and work, and break cycles of poverty and poor health.

WHO WE'RE IMPACTING

Our Heal programs brought life-changing care to people in **Pakistan, Somalia, Somaliland, Romania, Bosnia, Tanzania, Tunisia, Bangladesh, Congo and Syrian refugees in Turkiye.**

PROSPERITY

IN 2024, OUR PROSPERITY PROGRAMS IMPACTED

17,727 people

Millions of people face barriers to employment, education, and a sustainable way of life due to various circumstances. Humaniti and our partners are approaching this problem with unique solutions to help these vulnerable groups stabilize, grow and thrive.

HOW WE'RE IMPACTING

Entrepreneurial training

Providing households with training and resources to run their own business and earn consistent income

Microfinancing

Supporting people with financial assistance to develop their business

HOW PROSPERITY PROGRAMS CHANGE LIVES

Financial assistance and employment opportunities provide immediate relief to vulnerable people by helping them meet basic needs like food, housing, and healthcare.

Over time, stable income fosters independence, economic growth, and self-sufficiency. This type of support breaks cycles of poverty, improves quality of life, and empowers people to support their families, contribute to society, and build a secure future.

WHO WE'RE IMPACTING

Our prosperity programs helped people secure a consistent source of income and stability in **Yemen and Malawi, as well as Syrian refugees in Turkiye.**

EDUCAT

IN 2024, OUR EDUCATION PROGRAMS IMPACTED

4,793 people

Every human being has the right to expand their mind and explore their potential yet 250 million children are out of school for reasons beyond their control. Humaniti and our partners are collaborating in different ways to keep schools running and kids learning worldwide.

HOW WE'RE IMPACTING

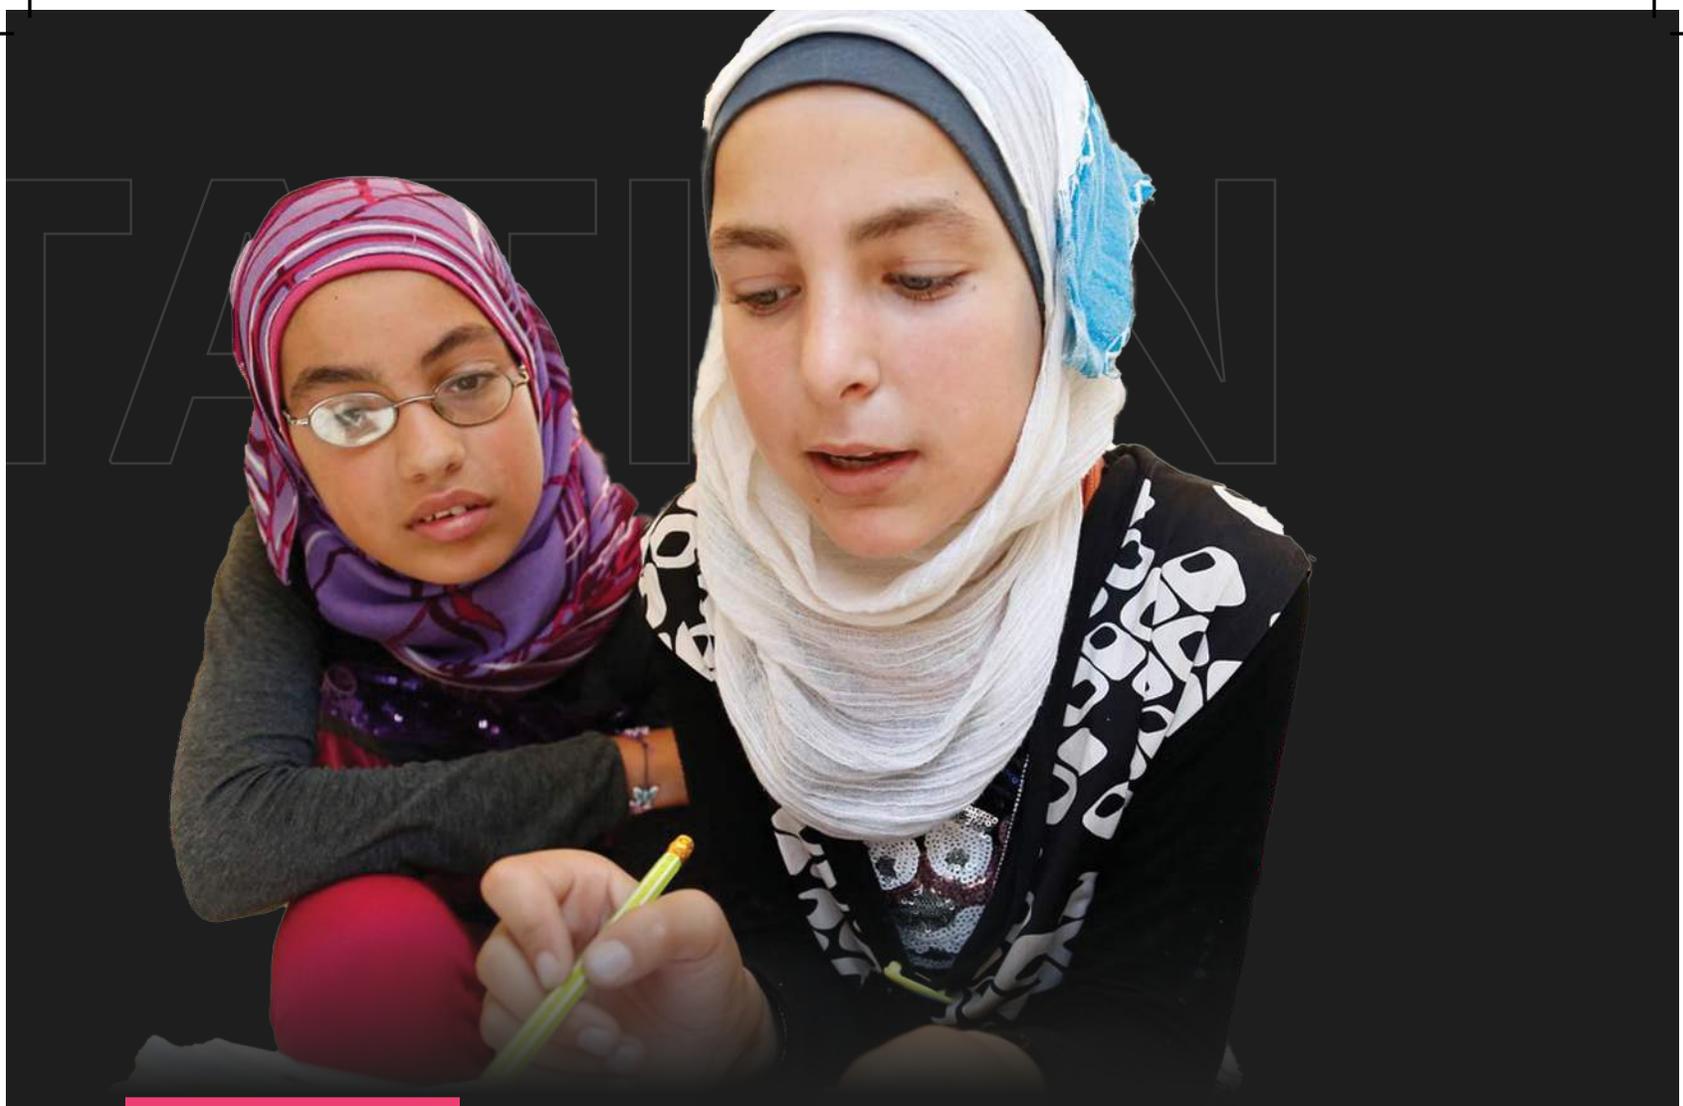

School restorations

Rebuilding and expanding space to support more students

Tuition and salaries

Eliminating financial barriers for students and teachers

HOW EDUCATION PROGRAMS CHANGE LIVES

Education benefits people immediately by improving knowledge, skills, and job opportunities. It boosts confidence, critical thinking, and problem-solving abilities.

Long-term, it leads to higher income, better health, and economic stability. Education also empowers communities, reduces poverty, and fosters innovation, creating a more prosperous and informed society for future generations.

WHO WE'RE IMPACTING

Our education programs kept thousands of students and teachers learning and thriving in **Syria, Gaza, Pakistan and Turkiye** (including many **Uyghur** and **Syrian refugees**).

ORPH

IN 2024, OUR ORPHAN PROGRAMS IMPACTED

4,767 children

150M+ orphans are living without a guardian or basic necessities, and are in constant danger of exploitation, malnutrition and disease. Humaniti and our partners are approaching this dire need from multiple angles so that one day we can live in a world where no child is left behind.

HOW WE'RE IMPACTING

Holistic care

Providing 24/7 support for up to a year or more

Basic necessities

Prioritizing orphaned children with urgent aid including food, water and medical care

Educational support

Providing learning opportunities through educational activities, school supplies and tuition

Emotional support

Restoring their right to be joyous children with candy, gifts, and games that spark joy and belonging

HANGL

HOW SUPPORT FOR ORPHANS CHANGES LIVES

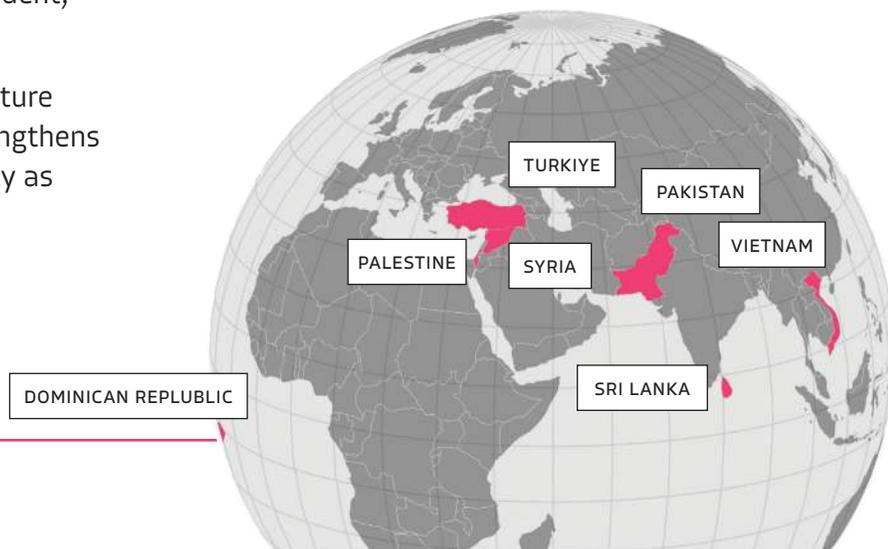

Caring for orphans transforms the most vulnerable young lives by giving them love, stability, and opportunities for a brighter future.

By providing education, emotional support, and a sense of belonging, we empower them to grow into confident, self-sufficient adults.

This care not only changes the future for these children but it also strengthens families, communities, and society as a whole.

WHO WE'RE IMPACTING

Our orphan programs brought comfort, love and safety to brave young lives in **Palestine, Vietnam, Sri Lanka, Dominican Republic, Pakistan and Turkiye.**

A Message of Gratitude

Dear fellow humanitarians,

As I reflect on the tumultuous year we experienced in 2024, my mind is replete with remarkable memories from several field visits I undertook last year. I'm filled with immense gratitude for the opportunity to have witnessed the joy and hope our programs have brought to vulnerable communities.

Dreams live in the smiles of kids participating in our Meals of Hope nutrition program across black townships in South Africa.

Joy lies in the laughter of children who are given access to clean water in villages across the rugged terrain of Balochistan in Pakistan.

Hope can be seen through the tears of mothers whose children have been given a new lease on life after a successful Congenital Heart Defect (CHD) mission in Tanzania.

Excitement was in the air as children returned to brightly painted classrooms in newly refurbished schools across Northern Syria.

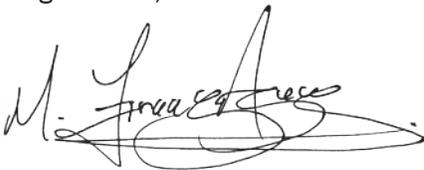

As we watched the destruction of Gaza intensify, your compassion enabled the provision of life-saving food, water, healthcare, shelter, education, and psycho-social support to over 1.3 million people struggling amidst the rubble and across Gaza. We have continued our support for thousands of families still suffering under the worst humanitarian disaster in Yemen.

To be sure, none of this would have been possible without your trust and unwavering commitment to Humaniti's mission! Sadly, there is still so much more work to be done as poverty and suffering are widespread, and the current socio-political climate is exacerbating this fragile imbalance.

Your generosity fuels our work and its impact has been significant - touching the lives of close to 2.5 million people across 30+ countries. Ours is a journey with passionate individuals taking small actions. Every program we launch, every community we empower, and every life we change is the result of someone recognizing their role in shaping humanity. It's a powerful and inspiring mission - to leave humanity better than we found it.

I'm so grateful to have you on this journey with us!

In gratitude,

M. Firaaz Azeez
