Seeing change every day

Dear Donors,

In 2025, we all stood as witnesses to the resilience, hope and faith of the world's most vulnerable people. From Africa and the Middle East, to Asia, Europe and into North America. Inspired by our faith, grounded in compassion, and fueled by innovation and global giving, Humaniti stands on the frontlines in a world increasingly defined by vulnerability and disrupted by global crises of migration, displacement and refugees.

Yes, we have all seen much suffering and injustice, however we also discovered the indomitable human spirit in the laughter of orphans, prayers of mothers and the sacrifice of fathers and sons. Hope does exist and it is kindled by your compassion and generosity. Because of you, we touched the lives of over 5 million of our global neighbours. We healed, quenched, protected, comforted and restored dignity. The impact that has on us is truly indescribable.

This is the most meaningful work of our lives and it is made possible because of YOU. Your commitment fuels our mission: To leave the world better than we found it.

From all of us at Humaniti, THANK YOU for your trust and support!

With gratitude and hope,

M. Firaaz Azeez

Global Executive Director, Humaniti
